

HOW TO SEND US YOUR PHOTOS

1. Please use your phone's camera and ensure that the flash is turned on.
2. You will need 2 spoons to hold your lips and cheeks out of the way (as seen in photos below). You will of course need someone to help you with taking the photographs.
3. Please follow the examples below and take a total of 5 photos *Tip- hold the phone as close as possible to the teeth. Ensure the images are clear and in focus.*
4. Please attach all 5 photos to email above. Be sure to include patients first and last name and Date of Birth in your email.
